WHAT IS KERATIN?

It is the main protein naturally found in your hair, providing strength, elasticity and protection. Keratin helps protect against the heat, chemical and environmental stressors that can really damage your hair.

All formulas now with
+ KERATIN

BIGGER, BOUNCIER, BOLDER

Step 1

Shampoo and condition your hair with a suitable hair care range that is formulated with Keratin.

Step 2

Distribute a tennis ball-size amount of **Volume Boost Mousse** evenly throughout hair from root to tip, paying special attention at roots.

Tip: Apply mousse onto a paddle brush for even distribution.

24H
volume

HairX Volume Mousse amplifies your style to the max and keeps it there for up to 24 hours.

- Shake well. Hold the can upside down and dispense into palm.
- Every product is designed to deliver **LONG-LASTING, NON-STICKY** styling with **NO RESIDUE**.
